1. That he which gives you me is risen, rises now, is also risen, are you?, also rising with that which rises me? Yeast not, but "abode of me" rises -- financially financial empires, not; or that too? Also. And who can see? Babylon has fallen. Amen.

2. This is Theodore Cottingham January 9, 2009 at 1:23 AM. Loving you all to be me I have given you me. The me that I am rises now. I have given you many words in this Database (1) clean – cleans yours now, all of you, if you will -- come unto me and clean yours. Be of Cleanville. Sores not, but soars now the mighty!

3. The mighty, fall not again -- but fallen were, from an estate I gave thee LONG ago. Coming unto me now who will? Who will come unto me?, for the "gold in those hills", not; but gold in "them thar hills" looking up shall we? And "where from"? And WATCHING NOW?

4. Again, let us do new things with new peoples not afraid of any, for there is no afraidship in my kingdom. There is no fear whatsoever, available to any or non-, or what is that about? Or what is available or non -- here? Or what is not here whatsoever again?

5. I love you all. There will be MANY CHANGES in your lives now.

6. Who taught me? My father did, my father does, that I am him, because I became him. One who is not separate is me, for I am the separator not, I am the "uniter", not; I AM the REVEALER -- of all things now that changes; in these words are, not; but – THESE WORDS will never change. They will NEVER be changed again from any one's source of thought-ing me or notme wanting to cataclysmicly disarray my kingdom, building machines. Or do I have a kingdom building machine? not; or do I have a kingdom revealing mechanizer? -- who mechanizes all things, not; but recognizes all things, for the revealings are MIGHTY and near, -er than thought.

7. For THOUGHT now brings on the cataclysmic conclusion, spiraling not, but what SPIRALING doesn't, but what OVERWASHES now -- the "washing machines boards", not; but what board is washed up and never convenes again? Or **what "councils" never met that were supposed to, that were my will, that was my will, that I will'd for them to come together and be me at meat table number one where I gave myself** -- to be carved up not, but like this! Where I

folded my hands, not; and ducked my head, not; but I GAVE THANKS for THOSE who come now, to be clean where I am and cleaning many through my words that which I release, that which I do -- speak now I do, in ways, never understood, not; but UNDERSTAND NOW I DO NEW THINGS WITH NEW PEOPLES. I bring. From afar those who will come and mighty be and loving me be first kings rabbis, not; but there are rabbis and Kings who will be me and come now and lay at my feet, prostrate not, but their time, to hear me my words come forth -- just like this, where we sit and talk -- for hours, on end -- that never ends now.

8. For I bring "the southern" one, son, who comes now, not, I bring you thousands. Millions and more come now into your hands. And who hands off, not; to you who hands, much is required, not; or is MUCH REQUIRED of all of you, to know me?, to come unto my integrity, and "apprehend it, not; or be it of another's, not; but to be mine me with my mind about all things so as to be "responsible" to only me and MY INTEGRITY is higher than the heavens award ceremony of me, not; but **mine head is equal with me that I've raised**. For foreign not purposes not, but for purposes "foreign" and mighty wield great influence "against me", not; but I take them many things. Gifts not, but gifts come to me far and wide, for what I am doing now is revealing the revealer, in all persons, not; all who will be me are the surrendered who surrender to be me, and love, ethics courses, not; but coming into mine and **knowing my integrity reigns and my ethics are superb and beyond reproach** in the heavenlies far and wide, and let no reproach ever come near thee, nigh thee, or upon thee, by thy malfeasance of testimony corrupted by thy want machine which thou hast destroyed, for it wert never were. But I am -- freely given now, I give all things to my anointed! "Cherubs" not, but lovely who will FLY many places with me, are lovely, are me.

9. Or **what is coming on the earth now? A new generation me.** Pepsi not, but a new Dr Pepper I'll take, not; but a "watered down" drink I'll have, not; but I'll have a great "glass of water" VERY OFTEN. With meals, not; it'll be my meals.

10. Foods are mine, it all comes, under production of my schemes, not; but my schemes of notme's end, for I end all notme's schemes schemery and cookery, and cockery not, or that too! For there shall be none of THAT in my kingdom. There shall be none of that cookery of each other's brain waving mechanisms. But the mechanizer has perished, not; but what has the mechanizer seen? Or who is the "mechanizer" not, but who is the REVEALER of all things now far and wide -- going to, revealing much, along the way?

11. I love you all. I have no want, and these words are without them -- I have no want. I want nothing molecular or otherwise. I want the regal, not; I surrender

to be who I am, and I let all things "take its course", not; but "que sera sera" I look up now.

12. And I know my lookup system works and I know My Educational System comes afloat of me, but what's that, mean? And what's that "floating" I see? No floaters in my eyes again, for my eyes are healed – and I float new things, new-where's now, for I have allwheres I am and allwhere will be where I am, clean, and dastardly not, for bastardly won't be where I am, for I reveal all are me is me and me and ARE REGAL now stands in Your Sight -- all of you! In your hearing -- all this is fulfilled, and I won't be, not; but I will be -- also in your hearing, you will hear!

13. Collapse not, but much will in your hearing. Mine will be heard now and collapse great things that thought mighty were and that never would collapse again. But **Babylon falls** -- in **ONE HOUR**? Hour mine? Is this mine hour? My time is now, **look up**.

14. My time, fails not, but I reveal all things far and wide to the REVEALERS who will be me revealing MUCH far and wide to astounders, astounded audiences and conventionists who were CONVENTIONAL in their thinking -- but cataclysmic all "that" takes place as never imagined.

15. UN-LEARNING much to do. Go about me and do my father's business, which is me surrendered, to be go do and speak, and **become, becoming me**, the revelators, **leaders**, who are one with me -- being me; in the earths and followers not of another's regiming sore boiled one again, in earths atmosphere of holy-nots.

16. I love you all. Amen. I do new things, new ways, with new peoples -- have I told you that enough so that you BELIEVE it? That you receive it? That he that which is, reveals me, revealer is. Standing now in your courts of praise. Standing now in your courts of praise. Standing now in your courts of praise. Alleluia! Amen.

17. Go in peace to New School, to make all things mighty I do now. I am not afraid or "sore" at anything lack luster'd or not. But my luster theirs a SHEEN now second to none. I rise.

18. In your hearing all this is fulfilled.

19. What will you fulfill -- in your hearing? Hearing aid services close, for they don't like me much if their "financiers" are their preeminent resources machines mechanizer of their motives, not knowing it, or not. I love you all.

20. I change this, I change everything! I change this world for it is mine and I love you to know these things and my "6000", words or messages, not; but my LESSONS (1) now equal about 2400 but 6000 shall be SO SOON -- here! In Mabee Center meeting, how soon?

21. For ALL OVERFLOWS -- its banks now. And MY BANKS won't be closed, but mine financier will "finance" New Systems with a "finance" currency -- that OBEDIENCE is. And "obedience" currency will be my currency of obedience -- that bring my financiers to obedience school, not; or what?

22. What is all this about -- or can you see? Have you seen?

23. What have you seen in these words "this night", this lesson, and these lessons of these "six months" and six years "compressed" into (2), one message meeting or revelator's heart expounding on, and expanded is now into worlds foreign and farther!

24. Gasping for breath, not; but my father will need nothing from anyone again, but love. For love never fails and I fail not to give it, be it, to my all everywhere. For I need nothing or want anything again, for I am the son; who was the heir, not; but became the revelator that reveals the father in all the son was all the time and now we us one. Revoke our privilege, not; but now knowing all our privilege, we come unto it them who teaches us great and mighty things, beyond the privileged borders that don't exist, that now privilege the mighty many to be privileged. The few not, but the great and mighty things now shown you in these words now "come to pass" immediately, if not sooner!

25. I love you all.
26. I love you all.
27. I love you all.
28. Amen. Good day.

29. I equal you has equaled me, not; but the surrendered rise now will and that which he is is me revealing you are me, and all nations, every tongue glorifiable will speak my these words, on their lips be my salvationer's testimony of righteousness breastplate'd in me again, only transparently will be so, not; but in the flesh a man walking, revealing me to all revealers, to be all one me!

30. And we shall see, be see new things now, for we create great beholdenment, for we are the beholders of great joy, and we create that which he is, that revealed us mighty are -- in the camps of sorrow no more, but a camps of Angel wings describing descriptively coming forth, for we, urge the mighty, not; the mighty are us who fallen aren't any more. For we REVERSE the fall and fallen aren't now. For we resume our positioning status, not; we come into New

Heavens, New Heavenly Rewards School now reaches throughout the atmospheres of the holy-not and the holy, and making whole one far and wide, we know our role purpose and privilege now described revealed, given much training here in these words (1) I have and I love you all. I bow.

31. I leave you not, but I go to New Places, schools establishing far and wide in the mighty who KNOW ME -- who I am, what I am, where -- and now what I do astounds the nations, you, and all will be -- improperly not again dressed by one who hates you, but perfectly so by one who loves you, who died has to heal you and give you these words this night, this day in your hearing is - all fulfilled.

32. The fulfiller's dream, not; the fulfiller had no wants, and no want will be filled, the fillers of me. For I will have no "filler" again any more in me or my genes or testimonies un-righteous'd. But be genes me, swollen never again, in fear's blessing; but no -- there will be no fear in my kingdom. I love you all. Amen.
